

獲取文件

內容：

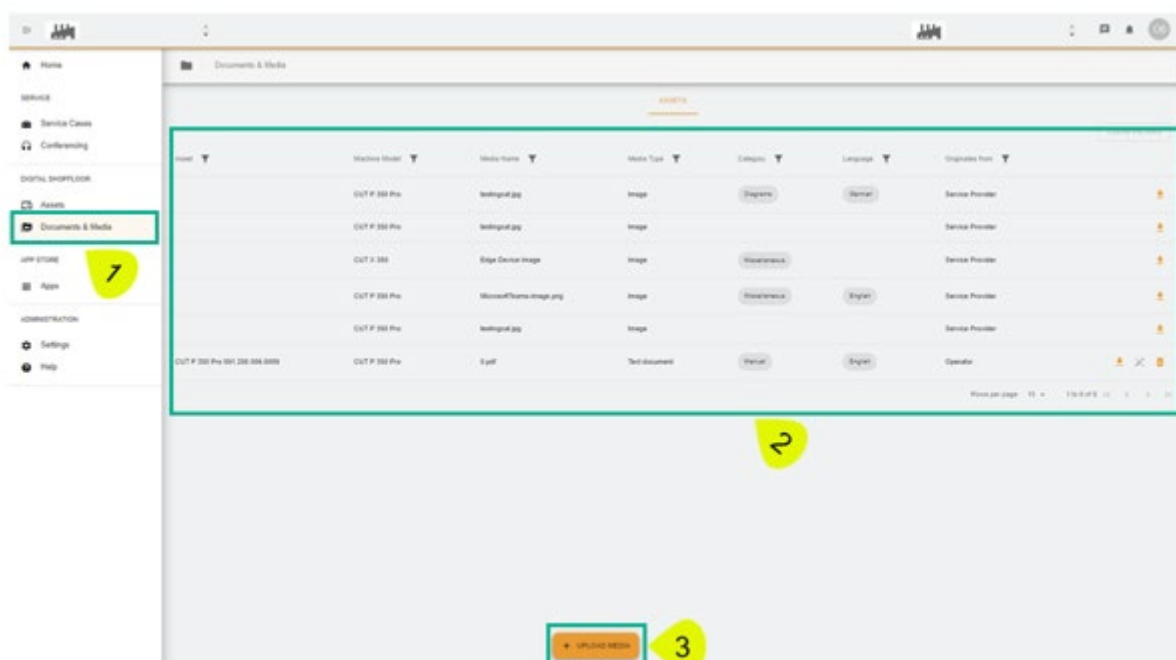

- [1. 「Documentation & Media \(文件和媒體\)」 標籤頁](#)
- [2. 查閱文件](#)
- [3. 上傳媒體](#)

1. 「Documentation & Media (文件和媒體)」 標籤頁

為了在 My rConnect 平台上查看、新增或下載文件，必須選擇「Documentation & Media (文件和媒體)」標籤頁 (1)。

如果專用於機器的雲端中已經存在某些文件，則可以查閱和下載現有文件 (2)。

也可以將文件新增到此空間 (3)

2.查閱文件

下圖詳細描述了有關板載文件的不同資訊

Asset	Machine Model	Media Name	Media Type	Category	Language	Originates from	
	CUT P 350 Pro	testingcat.jpg	Image	Diagrams	German	Service Provider	Download
	CUT P 350 Pro	testingcat.jpg	Image			Service Provider	Download
	CUT X 350	Edge Device Image	Image	Miscellaneous		Service Provider	Download
	CUT P 350 Pro	MicrosoftTeams-image.png	Image	Miscellaneous	English	Service Provider	Download
	CUT P 350 Pro	testingcat.jpg	Image			Service Provider	Download
CUT P 350 Pro 591.200.006.0009	CUT P 350 Pro	0.pdf	Text document	Manual	English	Operator	Download, Delete, Refresh

然後，瀏覽器上會出現讓您可以看圖片或文件的新頁面。

如下圖所示，某些文件可以刪除，而其他文件只能搜尋。

這種差異是由於客戶放在雲端上的文件可以由客戶檢視和刪除，而 GFMS FSE 既不能檢視也不能刪除此文件。

重要備註

- 綠框：客戶共用的文件/媒體（可由客戶查閱和刪除） - **GFMS FSE 無法看到**
- 黃框：GFMS FSE 共用的文件/媒體（客戶可以查閱，但不能刪除）

Asset	Machine Model	Media Name	Media Type	Category	Language	Originator

CUT P 350 Pro 591.200.006.0009	CUT P 350 Pro	Edge Pc rear	Image	Specification		Operator

3.上傳媒體

為了能夠上傳機器相關的文件，只需按一下「上傳媒體」按鈕

The screenshot shows the 'Documents & Media' section of the application. It features a sidebar with navigation options like Home, SERVICE, DIGITAL SHOPFLOOR, APP STORE, and ADMINISTRATION. The main content area displays the 'ASSETS' table, which is identical to the one in the previous image. At the bottom center of the interface, there is a prominent orange button labeled 'UPLOAD MEDIA' with a plus sign icon, which is highlighted by a green rectangular box.

將出現一個新視窗，您必須首先按「Media File (媒體檔案)」按鈕指定要共用的檔案的位置。然後填寫表格的其餘部分，以盡可能多地提供有關要共用的文件的資訊，並使用「Next (下一步)」按鈕進行驗證。

當欄位有箭頭時，請查閱功能表並選擇最相關的資訊

確認後，文件在用戶端可見（GFMS FSE 看不到），可以如下圖所示進行檢視。

The screenshot shows the 'Documents & Media' section of the +GF+ interface. A table lists various documents and media files. The following table represents the data visible in the screenshot:

Asset	Machine Model	Media Name	Media Type	Category	Language	Originator
	CUT P 350 Pro	Edge FC ver	Image	Diagrams		Service Provider
	CUT P 350 Pro	Integrat1.jpg	Image	Diagrams	German	Service Provider
	CUT P 350 Pro	Integrat1.jpg	Image			Service Provider
	CUT P 350	Edge Device Image	Image	Maintenance		Service Provider
	CUT P 350 Pro	MicrosoftTeams image.png	Image	Maintenance	English	Service Provider
	CUT P 350 Pro	Integrat1.jpg	Image			Service Provider
CUT P 350 Pro 581.200.004.0009	CUT P 350 Pro	Edge FC ver	Image	Specification		Operator
CUT P 350 Pro 581.200.004.0009	CUT P 350 Pro	S.pdf	Text document	Service	English	Operator
CUT P 350 Pro 581.200.004.0009	CUT P 350 Pro	Maintenance procedure for the machine	Text document	Maintenance	English	Operator

At the bottom of the interface, a green confirmation message is displayed: "Machine Document has been created!".
