GF Machining Solutions starts collaboration with Erkan CNC in Turkey

GF Machining Solutions as one of the world's leading providers of machines, automation solutions and services, will collaborate closely with Erkan CNC, who serves the Turkish industry in the field of machine tools, production solutions and services since over 20 years.

With the complete range of GF Machining Solutions products, Erkan CNC, as an authorized partner, can offer everything from a single machine to a smart factory project. Existing customers of GF Machining Solutions will benefit from the new setup. Service agreements and contracts are valid and will be honoured by Erkan CNC. In most cases, the current representative will remain the same.

The new organization will widen its reach and availability. The expertise in applications, test cuts, digital solutions, etc. is strengthened and expanded to enhance the experience of all customers.

The contact information to service and sales representatives is not going to change.

Serdar Basri Akgün (Erkan CNC), Andreas Müller (CEO Georg Fischer), Osman Baykus (Erkan CNC), Ivan Filisetti (President GF Machining Solutions), Thomas Wengi (Managing Director GF Machining Solutions), Helmut Elben (Head Corporate Strategy, M&A and IT, Georg Fischer), Özkan Akkan (Sales Manager GF Machining Solutions), Sedat Akgün (Erkan CNC)
